

# Welcome to Online Statements

## eStatement Agreement 2019

Go paperless! Unitus is committed to reducing our use of natural resources, and utilizing technology as much as possible. You have the option of receiving monthly or quarterly account statements, disclosures, notices and tax statements electronically, rather than in the mail. If you choose to use our eStatement service (and we hope you do!), every account statement and tax statement sent to you is retained in your personal uOnline eStatement archive folder for 13 months. You then have the option of downloading or printing the documents, as needed. If you ever need a copy of a document that is no longer in your archive folder, just contact us. In addition to being environmentally friendly and more secure, eStatements can provide one convenient location for key credit union correspondence.
