**FOR IMMEDIATE RELEASE**

**Unitus Community Credit Union Ranked as a “Best in State” Credit Union by Forbes**

*For the third consecutive year, Unitus earns the honor based on member feedback*

**Tigard, Ore., June 24, 2025** – *Forbes* has named Unitus Community Credit Union a “Best in State” Credit Union in its annual rankings. Unitus moved up from number three last year to the second “Best in State” credit union in Oregon for 2025. A total of 222 credit unions across the country earned a ranking from *Forbes*.

The publication ranks credit unions on factors that include trust, customer service, digital tools, the quality of financial advice, and whether fees are transparent and reasonable. *Forbes* partners with research firm Statista to survey 26,000 people about their financial institutions. The rankings are based 80% off the survey data; the remaining 20% of the ranking is based on online reviews.

“This is the third consecutive year *Forbes* has honored Unitus with a ‘Best in State’ ranking,” explained Steven Stapp, President and CEO of Unitus Community Credit Union. “The fact that this ranking is based solely on member feedback is evidence that we’re living up to our promise of delivering inspiring service.”

Unitus is one of five credit unions in Oregon to earn the “Best in State” ranking, and the only one in the Portland Metropolitan Area.

“We are in good company with these rankings, among credit unions who put the ‘people helping people’ philosophy into action,” said Mr. Stapp. “We’re focused on doing what’s right for our members in every decision we make; being recognized for that commitment is truly an honor.”
